

# SPIRITUAL ENTREPRENEURSHIP WITH THE CHURCH LAB

## ABOUT US

Our mission at The Church Lab (TCL) is to *explore innovative paths of spiritual growth for all, and discover the Church's future and the future of faith practice.*

While the landscape of traditional church is evolving, the desire for spiritual growth, community and faith practice remain strong. We believe seminaries, as educators of the next generation of church leaders, have a unique opportunity to develop the future of the church and ensure its relevancy for generations to come.

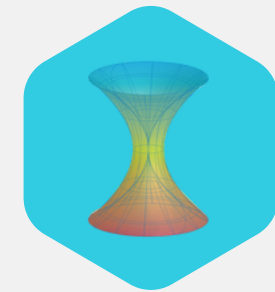

## OUR SERVICES

- coach students as they discern and refine their own innovative ministry projects.
- teach students the practical elements of spiritual entrepreneurship (e.g. starting a 501(c)3 or LLC, fundraising, grant writing).
- introduce a network of fellow spiritual entrepreneurs from whom to learn and be inspired.
- teach spiritual practices and tools for a sustainable call.
- provide vital pastoral care and support for emerging innovators.

TCL implements these tools at any higher education institution via a number of options:

- 1.5-2 year cohorts
- 1 semester class
- day-long seminar
- other
